Town Of
BENNINGTON
New Hampshire
Inc. 1842

March, 1995

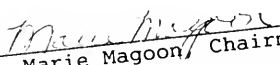

Residents,

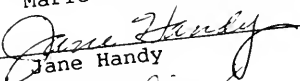

We are happy and proud to be devoting a portion of Bennington's 1994 Town Report to recognition of the Monadnock Paper Mills' 175th Anniversary. More importantly, it gives all of us an opportunity to recognize and salute the close relationship which has existed between the Town and its principal industry for all those years.

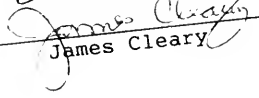

It is not only the Mills' role as a source of jobs to many of our people, nor their monetary contribution as the community's largest taxpayer we recognize here. We have been able, in times of need, to call on the ownership and management of the Mill for assistance, and in the quiet and unassuming manner of a good neighbor, the help has been provided.

We are happy, Monadnock Paper Mills, to count you among Bennington's good citizens.

Board of Selectmen,

Marie Magoon, Chairman

Jane Handy

James Cleary

RICHARD G. VERNEY
CHAIRMAN AND CHIEF EXECUTIVE OFFICER

February 9, 1995

Dear Neighbors:

1994 marked Monadnock's 175th anniversary. This tremendous achievement was made possible by the efforts of many dedicated, loyal and capable employees, many of whom were and are Bennington residents. Throughout its long history, Monadnock has always been a locally owned and operated company which employs primarily local people. This long standing association with residents of Bennington and surrounding communities early on led to a philosophy that it simply makes good business sense to be a good neighbor. Those of us who own and operate Monadnock today are committed to abiding by that philosophy and providing a workplace that both our employees and the town of Bennington can be proud of.

Best wishes.

Sincerely,

Richard G. Verney

... Decades of Good Will

Typical of most communities, Bennington has its distinct neighborhoods – The Village, North Bennington and Greek Alley. Since the rebuilding of Route 202, however, the first – and often the lasting impression a visitor has of our Town is the Monadnock Paper Mill.

On a grassy, landscaped plain, with the wandering Contoocook River in the foreground and Crotched Mountain as backdrop, the Mill and its surroundings are a pleasing introduction to the Town of Bennington. This rural industrial scene epitomizes the pride of ownership and pride in community which has characterized the Mill's – and the Verney family's relationship with the Town and its people since 1948.

A Town Report provides only a limited opportunity to record the contributions of Monadnock to Bennington's well-being over the decades! Below, for the sake of history, are a few of these:

The Environment – The Ecology flag you see flying from the mast atop the water treatment headworks building was presented by the members of the local United Paper Workers International Union upon completion of Monadnock's water treatment facility. The Union recognized the Mill's concern for the environment as a positive, necessary and costly investment in the preservation of jobs and the river which flows through our community.

People – No written policy exists, but it's no secret that the Verney family has encouraged its employees to give of their and company time in voluntary, civic endeavor. Although Erving LeCain's years of service to the town may be most widely recognized, scores of MPM employees have made contributions to the Town of Bennington over the years.

Landfill – While it's true that MPM placed its share of waste products in the former Tri-Town Landfill, it's equally true, that, as a taxpayer, the Mill had no special obligation toward its closing. The Mill's voluntary \$80,000 per year contributions in 1994, 1995 and 1996 have taken, and will continue to take, a big chunk out of closure bond issue payments.

Community Projects – The Verneys needed only to be asked, in 1990 to arrange for a land swap that made property between Route 202 and the Contoocook River available as a possible school site. In 1994, Richard Verney moved to donate Mill property in the same area for park/museum purposes, if the taxpayers voted their approval.

The Little Things – Donating technical services to the water/sewer department, assisting in the designation of the Bennington portion of the Contoocook River for protection and management, helping the Town celebrate its own 150th Birthday, and supplying the Town offices with paper and the paper on which the Town Report is printed;

In these and dozens of other ways, "The Mill" has not only contributed to Bennington's progress, but it has earned itself the significant but unspoken label of "good neighbor".

... HIGHLIGHTS IN MONADNOCK PAPER MILLS' HISTORY ...

- 1819 The Butler family makes handmade papers from flax on the banks of the Contoocook River in Southern New Hampshire.
- 1835 The introduction of wood pulp to the paper manufacturing process. Fourdrinier papermaking machines installed at the Bennington Paper Mills where writing and blank book papers are produced.
- 1870 The railroad extends its routes to Bennington and new machinery is purchased, considerably increasing the capacity of the Mills.
- 1880 The Bennington Paper Mills becomes known as Monadnock Paper Mills, primarily manufacturing woodpulp papers, such as bond, ledger, and book papers.
- 1904 Colonel Arthur J. Pierce purchases Monadnock Paper Mills, constructs a new brick mill building and greatly expands production capacity.
- 1948 Gilbert Verney purchases Monadnock Paper Mills and begins specialization of the product mix.
- 1974 The Mills' wastewater treatment facility begins operation improving the water quality of the Contoocook River.
- 1975 Microcomputer weight and moisture control systems are installed improving quality and increasing production.
- 1989 No. 1 paper machine capacity is increased via installation of a sectional electric drive.
- 1994 Monadnock Paper mills celebrates 175th anniversary.

1994 TOWN REPORT

Selectmen's Message

Bennington's biggest day of 1994 may have been a blustery, showery, July 31st when fifty or more businessmen, agents, media and the curious stood outside the abandoned Lodge at Crotched Mountain and watched the auction/repurchase of the Ski Area property. It was a moment long-awaited by a lot of Bennington citizens. Although no skiers may touch a trail there until 1996, the promise of the Area's rehabilitation is itself welcomed.

The first payment of back taxes on the Crotched Mountain property was made in July. Payments are due twice each year until 1999. Coupled with the revenue from the regular assessment on the Area, it will help to keep our annual tax bills in check.

We also have seen the first signs of life in the commercial sites across the street from the Mountain and can only hope that the spin-off effect widens in the months ahead.

The past year also saw a clarification of much of Bennington's legal problems, some civil cases, most of them brought against the Town by a single individual, and all covered by our insurance carrier, are still pending; those which have been tried, we have won. The two pollution cases emanating from the Tri-Town Landfill have been resolved. The major legal question, a concern shared with Antrim and Frankestown, is the eminent domain proceeding on the Davy property. The State of New Hampshire mandated the taking of that land in order to fulfill the State's closure criteria. The Hillsborough County Superior Court will hear the question this summer.

There were many other significant developments in 1994, too numerous to write about here. We certainly want to note the retirement of Chief David Mancini, after nearly ten years as Police Chief, and the installation of Cam Brown, after a lengthy but carefully planned selection process, as his successor. We look forward to working with him.

We share a sense of community pride in the work of the Historical Society and the opening of the Museum this summer, the culmination of several years of effort by many good people.

We would like to report progress on this page in the long struggle to attain a more equitable decision of costs of the Conval School District. We can only report that the effort goes on with new people carrying the banner. Our hats are off to those who put so much into the 1994 campaign. Thank you.

At this point, (January 1995), the future site of grammar school education in Bennington is a matter of conjecture. Those who have persisted in being a part of and influencing that decision deserve our respect.

In closing, we extend our gratitude to the scores of citizens who serve on the Town's Boards, Committees and Commissions; to those who staff the Election and Voting process; to the Town's small but devoted band of employees and to all those other residents, never mentioned, who just make Bennington a better place to live.

Respectfully submitted,

BOARD OF SELECTMEN
Marie Magoon, Chairman
Jane Handy
James Cleary

Town Warrant

The State of New Hampshire

To the inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote: you are hereby notified to meet at the Fire Station on Tuesday, the fourteenth day of March, next at eight o'clock in the forenoon, to act upon the following subjects:

1. To chose all necessary Town Officers for the year ensuing.

Note: The casting of absentee ballots will begin at 7:00 p.m.

You are hereby notified to meet at the Great Brook School Gymnasium in said Town of Antrim on Saturday, the eighteenth day of March 1995, at ten o'clock in the forenoon, to act upon the following subjects:

2. Shall the Town accept the provisions of RSA 31:39-a and adopt an ordinance defining and regulating conflict of interest for local officials and employees, whether elected or appointed. (Full text of the Ordinance is printed elsewhere in this Report.)
3. To see if the Town will vote to modify its plan for extending to employees of the Town the benefits of federal social security and medicare by exluding service performed after December 31, 1994 by election officials and election workers if the remuneration paid in a calendar year for such service is less than \$1,000.00.
4. To see if the Town will authorize the Selectmen to appoint a Study Committee charged with the responsibility of assessing the Town's short-range and long-range needs for public buildings, exclusive of schools, and providing recommendations on the same by September 15, 1995.
5. To see if the Town will vote to authorize the Selectmen to "elect" to have the employees of the Town become eligible to participate in the New Hampshire Retirement System (Group 1) pursuant to the provisions of RSA 100-A.

6. To see if the Town will vote to raise and appropriate the sum of twelve thousand five hundred dollars (\$12,500.00) for the purpose of cross-connecting the water supply systems of the Town of Antrim and the Town of Bennington, providing both communities with a second water supply as required under State of New Hampshire, Department of Environmental Services Administrative Rule Env-WS 373; the costs to be shared equally between the Towns; and (2) to authorize the Selectmen to enter into an agreement with the Town of Antrim pursuant to the provisions of RSA 53-A providing for the construction, use, maintenance, and operation of the cross-connection system. Recommended by the Selectmen and Budget Committee.
7. To see if the Town will vote to raise and appropriate the sum of eighty three hundred dollars (\$8,300.00) for the purchase of computer software and hardware enabling the Town to maintain its own Property Assessment records and the upgrading of its current hardware required to accommodate this change. Recommended by the Selectmen and Budget Committee.
8. To see if the Town will vote (1) to participate in the Community Oriented Policing Services program (COPS) (a three year program); and (2) in order to fund the position of a full-time police officer for one year, to raise and appropriate the sum of twenty four thousand eight hundred twenty-five dollars (\$24,825.00) of which the sum of \$18,525.00 is to be received from COPS, and the balance of sixty three hundred dollars (\$6,300.00) is to come from general taxation. Recommended by the Selectmen and Budget Committee.
9. To see if the Town will vote to raise and appropriate the sum of sixty three hundred dollars (\$6,300.00) for the purchase and installation of a new heating system in the Fire Station. Recommended by the Selectmen and Budget Committee.
10. To see if the Town will vote to raise and appropriate the sum of one thousand six hundred seventy-two dollars (\$1,672.00) for the purpose of providing Street Signage at the termini or last major intersection of the Town's roads and streets. Recommended by the Selectmen and Budget Committee.
11. To see if the Town will vote to raise and appropriate the sum of one thousand nine hundred ninety-five dollars (\$1,995.00) for the repair of the slate roof of the Town Hall. Recommended by the Selectmen and Budget Committee.

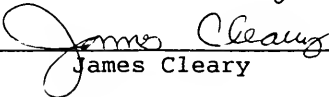

12. To see if the Town will vote to raise and appropriate its share, the sum of six thousand two hundred twenty-five dollars (\$6,225.00) to perform water testing, gas survey monitoring, topography testing and the mowing of grass at the former Tri-Town Landfill, all as required by the post-closure agreement with the State of New Hampshire; the costs of which are to be shared by Antrim, Bennington and Frankestown. Recommended by the Selectmen and the Budget Committee.
13. To see if the Town will vote to authorize the withdrawal from the Water Pump Capital Reserve Fund, such funds as necessary for the replacement of the existing pump. Recommended by the Selectmen and Budget Committee.
14. To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to be placed in the Fire Truck Capital Reserve Fund. Recommended by the Selectmen and Budget Committee.
15. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to be placed in the Used Fire Truck Capital Reserve Fund. Recommended by the Selectmen and Budget Committee.
16. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be placed in the Rescue Vehicle Capital Reserve Fund. Recommended by the Selectmen and Budget Committee.
17. To see if the Town will vote to raise and appropriate the sum of six thousand dollars (\$6,000.00) to be placed in the Police Cruiser Capital Reserve Fund and (2) to authorize the withdrawal from that fund such funds as necessary for the purchase of a new Police Cruiser. Recommended by the Selectmen and Budget Committee.
18. To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) to be placed in the Highway Truck Capital Reserve Fund and (2) to authorize the withdrawal from that fund such funds as necessary for the purchase of a new Highway Plow/Sander. Recommended by the Selectmen and Budget Committee.

19. To see if the Town will vote to (1) raise and appropriate the sum of sixteen thousand dollars (\$16,000.00) for the Capital Reserve Legal Contingency Fund; (2) to authorize the Selectmen to make such withdrawals from that fund as are necessary to meet emergency legal cost needs for which it was created. Recommended by the Selectmen and Budget Committee.
20. To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000.00) to be added to the Library Capital Reserve Fund, and (2) to authorize the Board of Library Trustees to make withdrawal of these funds for the repair or replacement of Library equipment in accordance with the purpose for which the Fund was intended. Recommended by the Selectmen and Budget Committee.
21. To see if the Town will vote (1) to establish a conservation fund pursuant to the provisions of RSA 36-A:5, and (2) to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to be placed in the Conservation Fund. Recommended by the Selectmen and Budget Committee.
22. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to purchase for the Bennington Fire Department one (1) MSA self-contained breathing apparatus at a cost of eighteen hundred dollars (\$1,800.00); complete turn-out gear at a cost of one thousand one hundred dollars (\$1,100.00); and various other items of equipment at a cost of twenty-one hundred dollars (\$2,100.00). Recommended by the Selectmen and the Budget Committee.
23. To see if the Town will vote to raise and appropriate the sum of eight hundred thirty-five thousand two hundred seventy-two dollars (\$835,272) which represent the 1995 operating budget, said sum exclusive of all special articles addressed (7-23).
24. To hear the reports of Committees and act thereon.

Given under our hands and seal this fifteenth day
of February, in the year of our Lord nineteen hundred
and ninety-five.

G.E.P. DODGE LIBRARY

This year our activities were aimed at raising money for our future computer. To remain accredited and connected with the NH State Library and all of their benefits, we put our efforts toward raising the money necessary to purchase the recommended hardware and software. As a part of our fund raising efforts, we applied for and received an LSCA matching funds grant from the State Library. This grant helped us to finish and meet our goal. Our fund raisers included two Hallowe'en Read-a-Thons, two Book, Bake and Yard sales, one raffle, two collection boxes, and many donations from private citizens and out of town and Bennington businesses.

Our final fund raiser was a raffle, made possible by donations from the following businesses and citizens: Mr. and Mrs. Russell Young, Mon Ami Hair Salon, Bennington Country Store, Plants Alive, Alberto's Restaurant, Katherine Cronin, Cronin's Law Office, Bruce Edes/Monadnock Paper Mills, Tory Pines Restaurant, and Bennington Garage, Inc.

This was our second year to be part of Project LIFT. Project LIFT is organized out of the Hillsboro Library, and includes the Antrim Library. There are materials in our library available through LIFT for people preparing for their G.E.D.s and for adults learning to read. Bennington has literacy volunteers and students participating in this program.

Our children's programs this year included our summer reading program entitled: "Go Undercover with Books". This program was sponsored by CHILLIS (Children's Librarians of NH) and the NH Bank. Materials and program ideas are supplied to member libraries. We are fortunate to have good Friends of the Library at the Bennington Country Store. They donated popsicles to the 67 children who participated in the summer reading program, one for each hundred pages read.

We have had many new patrons sign on this year. This makes our patron/population ratio very high. Bennington has excellent library patron participation, and to accommodate their wide range of interests and needs, we have extensively used the NH State inter-library loan system and reference librarians. Happily we have had materials in demand at other libraries, and have been able to reciprocate with loans to them.

In April we closed the library for a week, and with an efficient team of volunteers we completely re-shelved the library. While re-shelving, we took advantage of the bare shelves and no traffic and cleaned all the wood work, shelves, walls and floors. This was a tremendous job, and required a lot of stamina and dust masks. The re-shelving has made the library materials easier to locate, and more compatible with our catalog file. A great help in making this possible was a new book shelf in the Youth section, custom built by Ron McClure.

Everything we did this year went smoothly and was successful because of our wonderful network of library volunteers. All libraries rely on these generous armies to provide its patrons with flawless service. Our library in Bennington is no exception. Thank you to:

CAPITAL IMPROVEMENT PROGRAM

With the approval of the voters on March 18th, the Town's Capital Reserve fund program will provide funding for three purchases in 1995.

The Water Pump, for which the final appropriation was made in 1994, is expected to be purchased within the next few months. It replaces a piece of equipment which is more than twenty-five years old. Residents will be hearing more about the actual replacement schedule and procedures shortly.

This is also the year in which a new Police Cruiser is traditionally purchased, and the funding plan is in place to make this possible.

As the Road Agent has reported elsewhere in this Report, 1995 is also the year in which the Highway Department is slated to end its long and stormy association with the F700 plower and sander - and its replacement with a new vehicle. The Department request is for a two-wheel drive truck, a decision based on an analysis needs and capabilities balanced against the sharply increased cost of a four-wheel drive vehicle.

The request has been submitted again for an appropriation to the Legal Contingency Reserve Fund. Created a year ago, it will provide funding for any emergency demands which the Town might confront, such as those related to the former Landfill.

The only new request in 1995 is that of the Conservation Commission. Their request for \$2,000 is for the purchase of land, easements, etc. in furtherance of their mission of promoting proper utilization and protection of natural resources.

Respectfully submitted,

ADMINISTRATIVE ASSISTANT
William B. Reid

PLANNING BOARD

Most of our meetings this year seem to have been taken up by rather ordinary business. We were, of course, quite pleased last March to have two zoning amendments approved by the town voters. One of those amendments, having to do with Flood Plain Management, was necessary to ensure continued federal flood insurance coverage. The other, having to do with backlot development, made it somewhat easier for town property owners to develop backlots under certain limited circumstances.

Other items of business included such things as follow-up on property bequests to the Town, a request for special exception to zoning requirements in the Village District, a petition from property owners in the Birches of Bennington Condominium Association, a building addition at Monadnock Paper Mills, and review of longstanding issues associated with the Durgin Road subdivision subsequent to foreclosure by Peterborough Savings Bank. One ongoing project - wellhead protection - has still not been brought to completion, due to shortages of staff and staff time at Southwest Regional Planning Commission.

The many preliminary inquiries that have come to us should also be acknowledged. Such inquiries help all of us save time and effort by avoiding unnecessary review in some cases and speeding it up in others. They also indicate a positive working relationship between the Planning Board and town property owners.

CONSERVATION COMMISSION

After a two-year period of limited activity, the Conservation Commission reconvened in September to outline a series of new initiatives toward helping to achieve the mandate of our charter and enhancing the quality of life in our community. The projects under way include:

- 1) The development and implementation of a system for local permitting and monitoring of small scale land use operations (less than 3000 square feet) that impact designated wetland areas.
- 2) The reconnaissance and mapping of the official Town boundaries which has not been done in recent memory and is essential for effective cooperation with neighboring towns.
- 3) The establishment of an effective process for permitting and monitoring local logging and woodlot management operations to guide compliance with the requisite state regulations.
- 4) The creation of a scholarship program to support local youth in participating in regional conservation programs which would prepare them for work in community conservation projects.
- 5) The participation of Bennington in the Contoocook River Project, a consortium of all the towns bordering the river, to help set guidelines for river use policy and critique the impact of proposed state regulations regarding private and municipal river usage before they become law.
- 6) The updating and expansion of the town land use maps to support the policy making decisions of the Board of Selectmen, the Planning Board, and the Zoning Board of Adjustment.

These are all long-term, multi-year initiatives on which we will provide yearly progress reports. Our thanks to all of our neighbors who have inspired or contributed to the work of the Conservation Commission.

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment heard two cases in 1994. Ironically, even though the number of cases heard by the Board was significantly less than in past years, the amount of time required by each Board Member in the fulfillment of his or her responsibilities was exceedingly greater than in years past as both cases were appealed in the Superior Court.

I personally want to thank Betsy Chase, Russ Young, Harry Sewall, Tom Cochran, Walter "Terry" Reasa and Dave Barrett for their service and dedication during this past year.

Respectfully submitted,

HIGHWAY DEPARTMENT

In 1994 the Highway Department, after surviving the winter, proceeded to rebuild Mountain Road, a portion of Old Greenfield Road, (Bartlett Road), and the hill on Old Stagecoach Road. This entailed the removal of the existing surface and its base which consisted of clay, rocks and other unsuitable road-base materials, then the installation of under-drainage gravel, recycled asphalt and new pavement.

Also accomplished was widening, regravelling, ditching and culvert work on Pierce Road, Gillis Hill Road and Bible Hill Road. On schedule for 1995 work is shimming and sealing on Bible Hill Road, North Bennington Road and Deering Road, repaving on Pierce Road and ditchwork on Old Greenfield Road.

Also this spring we would like your support in the replacement of the F-7. With the expense of maintaining this vehicle rising constantly, we feel it is time for its replacement.

Respectfully submitted,

ROAD AGENT

POLICE DEPARTMENT

On December 8, 1994 I was pleased and proud to have been chosen to lead the Bennington Police Department. The Search Committee was comprised of a group of our own citizens, the Board of Selectmen, and outside law enforcement advisors. Their procedures were methodical, professional and comprehensive and it was gratifying to have been chosen.

I succeed a veteran police chief, David Mancini, who was honored by a host of friends and supporters on leaving office this fall. I wish him the best of luck in his future endeavors.

Every change of management brings with it changes in practices, procedures, appearances, styles and attitudes. Law enforcement is no exception, and Bennington residents can expect all of these from their new police administration. My goal is to create a professional police department, with an "open door" policy for the community and a continuing assessment of our progress towards helping solve community problems.

It is my intention to appear before you one year from now, the leader of a professional, stable police department that is respected by the community, and one that taxpayers will be proud to call their police department.

Respectfully submitted,

POLICE CHIEF
Cameron Brown

FIRE DEPARTMENT

The Bennington Fire Department responded to 99 calls in 1994; 50 Rescue Calls, 11 false alarms, 15 motor vehicle accidents, 9 still alarms, and 15 mutual aid calls.

In 1994 we saw some changes in the Department. Rob Horn replaced Donald Taylor as Forest Fire Warden. His Deputies are Nick Collemancine and Mark Chase. We also had members take a Hazardous Materials course in Frankestown earlier in this year. All the Members had physicals, which are an annual occurrence.

In 1995 the remaining personnel will take a Hazardous Materials course. We also have set up a Committee to replace the Rescue Vehicle, which is due for replacement in 1996.

The Chiefs and Members would like to extend a hearty THANK YOU to all the Townspeople who have helped support us in our fund raising efforts and by encouragement all year.

WATER & SEWER COMMISSION

With the exception of an unusual number of "freeze-ups", in both our lines and in our customer's lines, early in the year, 1994 was relatively uneventful. Continued emphasis was directed to the timely collection of monies due the Town. Some of the corrosion control monitoring equipment proved unequal to the tasks and had to be replaced.

This is the year that the well pump, responsible for delivery of all water in the system, must be replaced. You will find an article authorizing the withdrawal of those funds in our Capital Reserve for that purpose in the Warrant. Notice of the time that the pump will be out of service will be published and strict conservation of water during that period of time must be practiced by all users, as we will have no way to refill this water tank until the new pump is functioning.

For many years the State has been demanding that we develop an alternate source of water. The options are to drill another well, complete with pump and well house, or to cross connect the Bennington and Antrim Systems. If the State will permit us to use the abandoned railroad right-of-way, the latter is the most economical plan. The paper work for written permission has been started and you will find a warrant article requesting and raising an appropriation of \$12,500.00 for Bennington's portion of the cost of that project. The Town is liable for penalties if it does not comply with the demands of the State for the development of an alternate source of water.

SCHOOL BOARD REPRESENTATIVE

The year of 1995 may well prove to be one of positive and substantial change for the Town of Bennington and the ConVal School District.

As of this writing, two important issues have yet to be voted on that will have great impact on Bennington. The one that seems to be on most people's minds is the change in the funding formula. Once again, as of this writing, representatives from all nine District Towns have met and come to a consensus to support a compromise position of a change to a 60/40 formula vs. the current 25/75.

I'd like to again offer a brief explanation: The current formula is based on 25% property values of each town and 75% on student populations from those towns (also known as Average Daily Membership...ADMs). This has adversely affected our Town's property taxes for several years now. The proposed switch to 60% valuation and 40% ADMs should give all of us some much needed relief in our tax bills for some time to come. Enthusiasm for the change seems to be running high throughout the District, and I'm truly hopeful this change will come to pass.

The second issue involving many Townspeople is determining the future of Pierce School. The District sponsored three meetings, and by the last one, a clear consensus was reached to replace the current school with a new structure on a new site. Even though many of us regretted having to give up this beautiful building with its sentimental attachments, most of us realized that even renovated, the current site would still hold many limitations, its small site being perhaps most crucial. A few new sites have been investigated, and the one known as "Edwards Acres" (in back of the former Powder Mill Pond Restaurant) seems to be generating the most interest.

The only thing standing in our way of getting this new school is the passage of the Elementary Schools Bond at District Meeting (held on March 25th this year). It has been made clear time and time again that if the Bond passes, Bennington will be at the very top of the list of towns slated for new schools. A multi-purpose room which could be used for town groups is part of the plan (yes, maybe we could even have Town Meeting in our own Town again!). So you can see, not only would our children benefit from this new school, but the entire Town would as well. I urge you to attend District Meeting this year and support this motion.

Perhaps for the first time in a few years, I'm optimistic about the possible changes we see before us. Others throughout the District have recognized the needs we have here in Bennington, and have responded in positive ways. It's my hope all of us within the District and in each Town may be able to put aside differences we may have had in the past, and work together in the future toward common goals with mutual respect.

HEALTH AND WELFARE

I am proud to report that budget-wise, these departments were able to keep within the funding allowed for 1994.

Rent assistance was the big item, but fuel requests were down, probably due to the mild weather early in the winter. "Fuel Assistance" went into effect in December. We are having problems with sub-standard rental housing and I have asked the Selectmen to look into occupancy permits and/or some other kind of control of these situations. The concerns being fire, health and safety.

Meals-on-Wheels and Home Health are doing a fine job with our ill and elderly citizens. Our thanks and appreciation go to the donors of Thanksgiving and Christmas food baskets, also "Operation Santa Claus" for the children.

Septic problems continue and we are asking landlords' and homeowners' cooperation in dealing with them.

Respectfully Submitted,

OVERSEER OF PUBLIC WELFARE

RECREATION COMMITTEE

The Recreation Committee has had a few changes over the year, with a newly formed committee and new faces. We are always looking for new ideas and volunteers to help. At this time, we would like to thank Sharon Hall for her years of dedications.

The annual Fishing Derby under the guidance of Bruce Edes, started our year with many young fishermen eager to drop their lines and be the first to catch their limit.

The soccer program has gone very well with high attendance and very dedicated coaches.

Bennington Little League won the championship this year and once again the support from parents and townspeople has been great.

The annual Haunted Hayride went very well with the proceeds benefiting the expansion at Newhall Field.

Last, but not least, Christmas. This was a very difficult decision to make, but it was decided to "break tradition" and have a community Christmas program held in the center of Town. The response and support was overwhelming. Youngsters and adults enjoyed the day, starting with horse-drawn hayrides, and ending with the tree lighting ceremony, caroling and arrival of Santa. The refreshments served throughout the day by "Santa's Elves" were greatly appreciated. A special thank you to Santa and to a very artistic person, Linda Osienski, who made the sign for the center of town.

Again, thank you to all the volunteers of Bennington who make this community a very special one.

RECYCLING TRANSFER STATION

We would like to thank everyone for taking advantage of your new Recycling Center.

It's been a quiet year which has let us make some adjustments in the recycling line. We hope it hasn't been an inconvenience for anyone and we look forward to serving you in 1995.

The Swap Shop is still there for your availability. Feel free to bring in new or used items that you don't use or no longer need.

Also, we would like to let you know we are changing the hours on Wednesday only from 2:00 - 6:00 p.m. to 1:00 to 5:00 p.m. We hope this will be more convenient for you.

We would like to thank Al Harding and Lester Foote for keeping the center clean and neat. Keep up the good work.

If you have any suggestions, let us know.

HOURS:	Wednesday	1:00 p.m. to	5:00 p.m.
	Saturday	9:00 a.m. to	5:00 p.m.
	Sunday	1:00 p.m. to	5:00 p.m.

HISTORICAL SOCIETY

Members and Friends:

The winter of 1994 was a very severe one in the Northeast, in fact the worst in over 100 years. There were many snow and ice storms and lots of below zero weather.

In May, senior selectman and chairman, Herb Flanders resigned. James Cleary was appointed by selectpersons Marie Magoon and Jane Handy.

The Historical Society was a beehive of activity; we sorted through our treasurers and "furnished" our little museum. The grand opening was August 15th, we had a good turnout for the Ham Dinner and Dedication Program. Marie Magoon represented the selectmen, Fire Chief Mark Chase represented the Fire Department, and the Police Department was represented by Chief David Mancini and Sergeant David Skerry. The Bennington Economic Development Group was represented by Steve Skubik and the VFW was represented by Donald Taylor and Peter Martel. The State Historical Society also sent a representative. Entertainment for the evening was provided by Nora Lee Sysyn, David Sysyn and Raymond Holland.

David Sysyn, Peggy Sysyn, Michael Dionne, Ellen Hill and David Glynn set-up the displays and made signs and labels. Verna Paige kept the museum open on each Saturday from 1:00 p.m. to 3:00 p.m.

Our project for the town this year was to beautify the town common. The Bennington Highway Department removed the dead maple tree and stump. The society planted a 15 year old crimson maple tree and many shrubs and plants, totaling over \$500. A Hawthorne tree was purchased and donated by Mr. and Mrs. Coffin of Bennington and Massachusetts. Three special hybrid lilacs were donated by Pearl Walker and David Glynn; they were planted behind the civil war monument. One variety of lilac was appropriately named "President Lincoln Blue". We plan to plant more trees and shrubs this year to add beauty to the down town area.

The society received a cash donation from Osrarn-Sylvania on behalf of Arnold Cernota and from Waste Management on behalf of Sandy Cleary. A donation was also received from Pearl Walker of St. Petersburg, Florida.

In August, Police Chief David Mancini resigned and the County Sheriff, Walter Morse, was acting Chief. In December, Cameron Brown of Bennington was appointed Chief of Police. A group of Bennington people formed an organization called "Bennington Concerned Citizens;; their purpose was to attend selectmen meetings and help bring town concerns to the forefront.

The ConVal School District has also been busy in rallying support to either renovate/add to Pierce School or to build a new building to accommodate our growing kindergarten and elementary population.

A committee was formed to try and change the ConVal School Funding formula. They will submit a proposed Warrant Article to the School Board.

The biggest news was the sale of the Crotched Mountain Ski Area; a complex transaction involving the Monadnock Paper Mills, Monadnock Business Ventures of Peterborough and EaStar. A 1995 opening is planned.

In 1994 we celebrated the 175th Birthday of the Monadnock Paper Mills, the oldest continuously operating Paper Mill in the United States. The Mill is owned and operated by brothers Richard Verney and Geoffrey Verney of Bennington.

Dr. and Mrs. Daniel Poling, Jr. of the Bennington Congregational Church observed their 60th Wedding Anniversary.

Reverend Robert Carty retired from St. Patrick's Catholic Church; Reverend Andre Bedard is the new priest.

The national economy is improving and the Northeast is also improving at a slower pace. We are hoping 1995 will be the year that the Town will improve its image and once again make Bennington a great place in which to live. Painting, clean-up and tree/shrub planting will enhance our own property and will raise property values.

Respectfully submitted,

CONTOOCOOK & NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

Following enactment of legislation including the Contoocook and North Branch Rivers in the State Rivers Management and Protection Program, the Contoocook and North Branch Rivers Local Advisory Committee (LAC) was formed. The LAC is made up of individuals from the fourteen communities fronting on the two rivers who were nominated by the selectmen or city council from their municipalities and appointed by the DES Commissioner.

The focus of the Committee's work has been to develop a Corridor Management Plan for the designated rivers. Responsibilities of the Committee also include the review and comment (in an advisory capacity) on state permits for major developments within the corridor area. The Committee has been meeting on a regular basis since the Spring of 1992, and an Advisory Plan was adopted in September, 1994.

The Advisory Plan contains goals and objectives, results of a 1993 survey of property owners along the rivers, an inventory and assessment of natural and managed resources within the corridors, and a resources management section which outlines recommendations for current and future actions by citizens, private, local, state, and federal agencies and organizations to maintain the rivers' outstanding values.

Copies of the Advisory Management Plan are available for view at the corridor communities' town and city halls. Additional copies are available from the Central NH Regional Planning Commission; 329 Daniel Webster Highway, Boscawen, New Hampshire, 03303, (603) 796-2129 or the Southwest Regional Planning Commission; 20 Central Square, Keene, New Hampshire, 03431, (603) 357-0557.

TOWN OF BENNINGTON

Minutes of March 12, 1994 Annual Town Meeting

To the inhabitants of the Town of Bennington in the County of Hillsborough in the State of New Hampshire, qualified to vote: you are hereby notified to meet at the Fire Station on Tuesday the eighth day of March next, at ten of the o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. Are you in favor of the adoption of the amendments to the existing Zoning Ordinance as proposed by the Planning Board relative to:
 - a. Revised Flood Plan Protective Zone regulations (three)

Amendment #1	YES - 355	NO - 50
Amendment #2	YES - 343	NO - 51
Amendment #3	YES - 342	NO - 47

- b. Revised Zoning and Land Use Regulations to permit limited development of large lots lacking current frontage requirements.

Amendment #4	YES - 357	NO - 66
--------------	-----------	---------

There were 89 registered voters present at the Great Brook School Gymnasium in said Town of Antrim on Saturday, the 12th of March 1994 at ten o'clock in the forenoon to act upon the following subjects:

Moderator James Dodge began the meeting with the Pledge of Allegiance and then outlined the rules of conduct for the meeting. By unanimous voice vote the rules were approved as outlined. Moderator Dodge then read the results of the previous Tuesday's elections (see above).

Bruce Hall presented Don Taylor with a plaque honoring 28 years of service to the Fire Department (standing ovation).

Selectman Chairman Herb Flanders thanked all those who worked on the school board ballot.

Moderator James Dodge introduced the Selectmen Herb Flanders, Jane Handy and Marie Magoon; Administrative Assistant William Reid; and the Town Clerk, Lisa Logan.

Article 3. Shall the Town accept the provisions of RSA 674:40-a providing that any town at an annual or special meeting may adopt an article delegating indefinitely, until specific rescission of such authority, to the selectmen the authority to accept dedicated streets?

This article was passed by voice vote.

Article 4. To see if the Town will vote to establish a Recreation Commission pursuant to the provisions of RSA 35-B:4 consisting of seven (7) members to be appointed by the Selectmen, (and a Selectman who shall serve as ex-officio member).

Article 4 was passed by voice vote.

Article 5. To see if the Town will vote (1) to establish a Capital Reserve Fund under the provision of RSA 35:1, for the purpose of making renovations and improvements to the Dodge Memorial Library: (2) to raise and appropriate the sum of four thousand dollars (\$4,000) to be placed in this fund: and (3) to designate the Dodge Library Trustees as agents to carry out the object of this article.

This article was passed by voice vote.

Article 6. To see if the town will vote to raise and appropriate the sum of three thousand dollars (\$3,000) for the purpose of replacing the current water system which services the Evergreen Cemetery, the work to be done by the Antrim Water Department and the Bennington Highway Department.

This article was passed by voice vote.

Article 7. To see if the Town will vote (1) to change the purpose of Article #6 of the 1993 Town Meeting, a Capital Reserve Fund which was established to fund construction of a recycling building at the Transfer Station, to a Capital Reserve Fund for the purpose of paying extraordinary legal fees and expenses of current and foreseeable litigation; (2) to designate the Selectmen as agents to carry out the object to this article. (2/3 vote required).

An amendment to Article 7 was submitted by Victoria Turner.

Amendment A. To see if (1) the Town will resolve to make every attempt to settle all pending law suits out of court in the most expedient fashion possible so as to save the taxpayers the expense of extraordinary legal fees and expenses of current and foreseeable litigation.

This amendment was rejected by the Moderator because it completely changes the effect or intent of the original article.

Another amendment to Article 7 was submitted by Victoria Turner.

Amendment B. To see if the Town will vote to use the monies remaining in the Recycling Building Capital Reserve Fund (approx. \$15,300) for the alleviation of property taxes and the reduction of the 1994 budget.

This amendment did not pass by voice vote.

The voice vote taken on the original Article #7 was inconclusive. A standing vote was taken resulting as follows: 69-YES 20-NO

Article 7 was passed by a 2/3 majority vote.

Article 8. To see if the Town will vote to raise and appropriate for sum of fifteen thousand dollars (\$15,000) to be placed in the Fire Truck Capital Reserve Fund.

This article was passed by a voice vote.

Article 9. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be placed in the Used Fire Truck Capital Reserve Fund.

This article was passed by a voice vote.

Article 10. To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be placed in the Highway Heavy Equipment Capital Reserve Fund.

This article was passed as written.

Article 11. To see if the Town will vote to raise and appropriate the sum of twelve thousand dollars (\$12,000) to be placed in the Water Pump Replacement Capital Reserve Fund.

This article was passed by voice vote.

Article 12. To see if the Town will vote to raise and appropriate the sum of six thousand dollars (\$6,000) to be placed in the Police Cruiser Capital Reserve Fund.

This article was passed by a voice vote.

Article 13. To see if the Town will vote to raise and appropriate the sum of eight thousand dollars (\$8,000) to be placed in the Rescue Vehicle Capital Reserve Fund.

This article was passed by a voice vote.

Article 14. To see if the Town will vote to raise and appropriate the sum of one thousand eight hundred dollars (\$1,800) to remove and dispose of hazardous chemical waste currently located outside the Town Barn.

This article was passed by a voice vote.

Article 15. To see if the Town will vote to raise and appropriate the sum of twelve thousand dollars (\$12,000) to compensate Harold Ellis and Jean Ellis for the replacement of certain improvements that are to be removed from the right of way of Durgin Road

The voice vote taken on Article 15 was inconclusive.

A standing vote was taken that resulted as follows:
23-YES 48-NO

Article 15 did not pass.

Article 16. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) for the construction of roofing over the handicapped ramp located on the north side of the Town Hall.

This article was passed by voice vote.

Article 17 as read by the Moderator. To see if the Town will vote to approve, in principle, participation with other appropriate area communities in a study to determine the feasibility of the withdrawing from the current ConVal School District.

The voice vote taken on this article was inconclusive.
A vote was taken by the raising of hands.

This article was not passed by a hand vote.

Article 18. To see if the Town will vote to raise and appropriate the sum of twelve thousand dollars (\$12,000) for continued monitoring of water supply at the former Tri-Town landfill and homes of abutting property owners, as required by the N.H. Department of Environmental Service, the Town will be reimbursed by Antrim and Francestown for their respective portions of such costs.

This article was passed by voice vote.

Article 19 as read by the Moderator. To see if the Town will vote (1) to accept as a gift from Gladys Newhall a three (3) acre (+/- one [1] acre) tract of land to the rear of the current Newhall Field for the use as a recreation area, under the same conditions as attached to the current Newhall Field (it is understood that the exact boundaries of the tract have not been fully determined): and (2) to raise and appropriate the sum of six hundred dollars (\$600) to defray the legal costs associated with transfer of said property.

This article was passed by a unanimous voice vote.

* A standing ovation was given to Gladys as a thank you from the Town.

Article 20. To see if the Town will vote (1) to accept as a gift from the estate of the late Georgietta Bryer a tract of land situated on Old Greenfield Road, consisting of ten (10) acres for use as a cemetery: and (2) to raise and appropriate the sum of two thousand dollars (\$2,000) to defray the costs associated with the transfer of said property.

This article was passed by voice vote.

Article 21. To see if the Town will raise and appropriate the sum of one thousand seven hundred forty dollars (\$1,740) for the purpose of purchasing software and services needed to computerize the payroll records and accounts of the Town.

This article was passed by voice vote.

Article 22. To see if the Town will vote to raise and appropriate the sum of fifteen hundred dollars (\$1,500) for the material and service to improve security at the Town Hall.

This article was passed by a voice vote.

Article 23. To see if the Town will vote to raise and appropriate the sum of eight hundred eighty-one thousand three hundred nineteen dollars (\$881,319) which represents the 1994 operating budget, said sum is inclusive of all special articles addressed (5-23).

The amount of eight hundred sixty-four thousand three hundred nineteen dollars (\$864,319) was given to reflect the previous articles that did not pass.

An Amendment to Article 23 was submitted by Victoria Turner.

Amendment to Article 23. To see if the Town will vote to raise and appropriate the sum of seven hundred thirty three thousand ninety-five dollars (\$733,095) for the 1994 operating budget. This would be a 5% overall cut or thirty eight thousand five hundred eighty-four dollars (\$38,584). The resulting budget of \$733,095 is exclusive of all special articles addressed (5-22).

The proposed amendment was not seconded.

The original article was passed by a voice vote.

Article 24. Shall the Town accept the provisions of RSA 31:95-b providing that any Town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by a town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

This article was passed by voice vote.

Article 25. Shall the Town accept the provisions of RSA 33:7 providing that any Town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

This article was passed by a voice vote.

Article 26. Shall the Town accept the provisions of RSA 202-A:4-c providing that any Town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the Town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

Article 27. Shall the Town accept the provisions of RSA 80:80IV, providing that any Town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to transfer tax liens, or to sell real estate acquired in default of redemption by public auction or advertised sealed bid, or in such other manner as justice may require?

This article was passed by voice vote.

Article 28. To see if the Town will authorize the Selectmen to dispose of used equipment and unneeded supplies as they determine to be in the best interest of the Town.

This article was passed by voice vote.

Article 29. To see if the voters will authorize the establishment of an Economic Development Authority for the purpose of promoting economic development within the Town and entering into possible agreements with other towns in the area.

This article was passed by voice vote.

Article 30. To hear reports of Committees and act thereon.

There were no reports of committees to be heard.

Motion submitted by Richard Reed.

To form a committee, appointed by the Selectmen, of interested citizens to meet with local officials and townspeople of the area towns comprising the ConVal School District as well as appropriate state officials to accomplish the following:

1. Change the current funding formula from 25/75 to 75/25
2. Create legislation to more equitably fund public education.

This motion was passed by a voice vote.

A motion was then made and seconded to adjourn the meeting. The meeting was adjourned at 2:35 p.m.

A true copy of the minutes attest:

Respectfully submitted Lisa M. Logan, Town Clerk.

CONFLICT OF INTEREST ORDINANCE FOR THE TOWN OF BENNINGTON

Conflicts Of Interest Described And Regulated

The Town of Bennington, New Hampshire, pursuant to RSA 31:39-a, ordains as follows:

I. DECLARATION OF POLICY: Where government is based on the consent of the governed, every citizen is entitled to have complete confidence in the integrity of that government. All persons performing a public trust, engaged in the Town's business or in their duties as Town Officers or Employees, whether elected or appointed, including paid or unpaid members of municipal boards, commissions and committees, must earn and honor that trust by their conduct in all official actions. It is the purpose of this ordinance to ensure fair consideration of any application or matter to be voted upon, and also to ensure the appearance of fairness so as to maintain public confidence in the integrity of Town government.

II. DISCLOSURE OF POSSIBLE CONFLICTS OF INTEREST: Whenever any Officer has a possible or potential conflict of interest as described in Section V, with respect to any matter upon which that Officer is to make a decision, either legislative or quasi-judicial, that Officer shall disclose the facts constituting the possible conflict of interest at a public meeting of the Board of which he or she is a member, or in some other effective public forum; provided, however, that any Officer who steps down pursuant to Section III need not disclose reasons for doing so.

III. DISQUALIFICATION IN QUASI-JUDICIAL MATTERS: Whenever any Officer has a conflict of interest, as described in Section V, with respect to a matter upon which that Officer is to make a decision in a quasi-judicial capacity, and that conflict of interest is definite, direct, and capable of demonstration, rather than remote, uncertain, or so speculative that reasonable persons would not be influenced by it, that Officer shall be disqualified and shall step down. Officers who are to make legislative decisions shall neither be required to, or prohibited from, stepping down under this ordinance.

An Officer required to step down under this section shall not decide or vote on the matter under consideration, shall not participate in any Board deliberation or discussion of the matter, except as a member of the public at a public hearing, and shall not sit with the remainder of the Board during its consideration of the matter.

IV. RESOLUTION OF UNCERTAINTY; PROCEDURE: Whenever uncertainty arises as to the application of Section III to an Officer acting as a member of a Board, the Board shall, upon request of that member or another member of the Board, vote on the question of whether that member should step down. Any such request shall be made prior to the commencement of any public hearing, or immediately following a disclosure under Section II, whichever is later. The Officer shall step down if the Board so determines by majority vote.

V. CONFLICTS OF INTEREST DESCRIBED: The following circumstances shall constitute possible conflicts of interest under this ordinance:

1. PECUNIARY INTEREST: A personal and pecuniary interest by the Officer in the outcome of the decision. Such interest includes, but is not limited to, an ownership interest in property affected, a mortgage interest, a creditor or debtor relationship with a party in the matter, or a business relationship with a party in the matter.

2. KINSHIP: A relationship by blood or marriage with a party in the matter, including the relationship of spouse, parent, child, brother, sister, uncle, aunt, niece, nephew, grandparent, grandchild.

3. EMPLOYMENT: Employment of or by a party in the matter under consideration.

4. ABUTTER: Ownership of land abutting land under consideration in the matter.

5. PREJUDGMENT: A prior public statement or position indicative of bias for or against the matter under consideration. Prejudgment does not include statements or votes made during prior official action concerning the same subject matter (Example: ZBA vote on a variance request does not constitute prejudgment of a request for reconsideration of that same vote).

6. COMBINATION: Any combination of the above factors. (Example: relationship by blood or marriage to an abutter.)

VI. CONFLICT OF INTEREST DISTINGUISHED FROM INELIGIBILITY Nothing in this ordinance shall be construed to render any person ineligible to hold any office or position.
